About H3 Energy Limited

H3 Energy Limited (ASX: H3E) ("H3E" or the "Company") is an ASX-listed exploration and production company focused on exploring and delivering hydrocarbons, natural hydrogen and helium for the energy transition. The company has extensive exploration acreage in the Officer Basin located in South Australia; a contingent gas resource in Western Australia (refer ASX announcement dated [date]); and geothermal exploration applications over proven conventional hot water production locations in southwest Queensland.

Previously reported information

The Company confirms that it is not aware of any new information or data that materially affects the information included in the ASX announcement dated [date] and that all the material assumptions and technical parameters underpinning the estimates in that announcement continue to apply and have not materially changed.

Qualified petroleum reserves and resources evaluator statement
