ASX ANNOUNCEMENT | 3 NOVEMBER 2026

HIREMII LIMITED TO BECOME AQYR LTD

NEW ASX TICKER "AQ1" EFFECTIVE 4 NOVEMBER 2026

Hiremii Ltd (ASX: HMI) (the Company) is pleased to advise shareholders and investors that its change of name to AQYR Ltd has been formally registered, with the change to be reflected on the Australian Securities Exchange from Wednesday, 4 November 2026.

In conjunction with the change of Company name, the Company's securities are scheduled to commence trading on the ASX under the new ticker code:

ASX: AQ1

The change marks an important milestone in the Company's evolution from a recruitment and workforce services business into a technology-enabled Workforce Intelligence company focused on energy, resources and infrastructure.

Under the AQYR identity, the Company brings together Workforce Analytics, Talent Intelligence and Workforce Solutions. Its strategy is to combine proprietary workforce data, artificial intelligence and deep industry expertise to help organisations understand talent markets, identify specialist capability and make better workforce decisions.

From 4 November 2026, the Company will therefore trade as AQYR Ltd (ASX: AQ1), replacing Hiremii Limited (ASX: HMI). The change of name and ticker will not affect existing shareholders' rights or holdings, and shareholders are not required to take any action.

Commentary

"The transition to AQYR reflects how far the business has evolved and where we believe its greatest opportunity lies. We have built an established workforce solutions business with deep industry relationships and expertise. By combining that foundation with proprietary data and AI, we are creating a more intelligent way for organisations to understand workforce markets, identify the right people and secure critical capability."

"Our focus now is on execution — commercialising our technology, growing recurring and technology-enabled revenue, and delivering measurable value to customers across energy, resources and infrastructure. AQYR gives us an identity that better represents both the business we are building and the market opportunity ahead."

Andrew Hornby, Managing Director.

This announcement has been authorised for release by the Board of Directors.
