Tundulu High-Grade Rare Earth Discovery Investor Webinar

AuKing Mining Limited (ASX: AKN) ("AuKing" or "the Company") invites shareholders and interested parties to join an Investor Webinar on **Thursday, 5 November at 11:00 am AEDT / 8:00 am AWST.**

The webinar follows the Company's latest announcement, "High-Grade Rare Earth Mineralisation Discovered at Previously Untested East Tundulu Carbonatite", and further high-grade rare earth assay results from the Tundulu Project in Malawi.

Managing Director Paul Williams and Exploration Manager Ian McBride will discuss the latest drilling results, including the emerging scale and continuity of rare earth mineralisation across the Tundulu Project, the significance of the East Tundulu discovery and ongoing exploration activities.

The presentation will also cover upcoming assay results and the Company's progress towards a maiden Mineral Resource Estimate.

Shareholders and interested parties can register for the Zoom webinar via the link below.
