About Caprice Resources Ltd

Caprice Resources Limited (ASX: **CRS**) is an Australian gold exploration company focused on discovering and advancing high-grade gold opportunities in Western Australia's Murchison region.

The Company's flagship 100%-owned Island Gold Project hosts a maiden Mineral Resource Estimate of 522koz at 2.6g/t gold, including a high-grade component of 340koz at 5.8g/t gold, establishing a strong foundation for further Resource growth.[1]

Located within the prolific Murchison goldfields, the Project encompasses an extensive gold-mineralised system across a five-kilometre corridor and is situated within 50km of several established mining and processing centres.

With ongoing drilling targeting extensions to known mineralisation and new discoveries across the broader Island system, Caprice is focused on expanding its Mineral Resource base and unlocking the Project's significant exploration potential.

Caprice is advancing a broader portfolio of gold exploration opportunities across Western Australia's Murchison region, including the Comet Gold Project.
