

ASX Release

5 November 2026

Renascor Investor Webinar Recording

Renascor Resources Limited (ASX: RNU) ("**Renascor"**) is pleased to advise that a recording of the Investor Webinar of Thursday, 5 November 2026 is now available on the Company's website via the following link:

https://renascor.com.au/newsroom/

The webinar provided an update on Renascor's Battery Anode Material project, including recent progress at its purified spherical graphite demonstration facility. It also covered the Company's copper and uranium exploration activities in South Australia, including its drilling plans. The presentations were followed by a question and answer session.

The associated presentation slide decks, released to the ASX on 27 October 2026, can be viewed on the Company's website via the following link:
