Maximum is 10% of the lowest number of shares on issue in the last 12 months (350,242,387). TEK bought back 27,590,632 shares under its previous buy-back from 12/01/2026 to 30/10/2026. Under s257B Corporations Act, these count towards the 10/12 limit for 12 months after each purchase, so the number of shares that can be bought back at any time will be less than the maximum. Shareholder approval is not required. TEK may vary, suspend or end the buy-back at any time.
