About X2M Connect Limited

X2M Connect Limited (ASX:X2M) is a leading Australian smart city technology company delivering patent supported solutions that enhance productivity, reduce operational costs and improve public safety for utility and government customers. Smart cities involve the collection, aggregation and processing of data from a wide range of sensors to

automate controls that improve the speed, effectiveness and accuracy of outcomes for cities and their residents. X2M's platforms enable real-time data exchange, remote control and predictive insights by connecting water, gas and electricity resource devices as well as other critical sensors to edge and cloud based software. X2M delivers a mass of data that enables AI for customers.

X2M provides services to develop data centre and energy infrastructure precincts in regional Australia including design, supply, installation, commissioning and operation. X2M provides platform services to manage the data centre environment and energy and cooling networks for precincts leveraging AI to deliver optimised outcomes.

X2M's core platform underpins three product families, '*Vision by X2M*', '*Hive.AI by X2M*' and the '*Help Me*' safety device, supporting more than 90 customers across five key geographies. The Company has connected over 500,000 devices to date and continues to expand its footprint, leveraging strong government and enterprise relationships throughout Japan, South Korea, Taiwan and the Middle East. X2M generates revenue through a mix of service fees, hardware sales, recurring SaaS and platform fees, and device connection charges.
