Appendix 4A - Correction

The Appendix 4A released on 4 October 2026 incorrectly reported 766,250,210 common shares on issue. The correct number is 556,363,685 common shares.

The previously reported figure inadvertently included the 209,886,525 CDIs issued over quoted securities, resulting in double counting.

A revised Appendix 4A disclosing the correct figures is appended to this announcement.
