Notes:

[1] The total values of new unit issues and unit redemptions, and the difference between those values, reflects the price (exclusive of transaction costs) at which the units were issued and redeemed during the reporting month. Includes both on-market and off-market units.

[2] Swap costs are a part of the transactional and operational costs of the Fund. The figure shown is the costs incurred by the Fund in connection with swaps for the previous financial year. As a result, the actual swap costs incurred in the current month may be higher or lower than the figure provided.

[3] Collateral is only held as cash.
