Careers

Strike Energy does not make any unsolicited job offers via email, telephone, mail nor does the Company ask for personal details or payments as part of a recruitment process. We are aware that individuals have recently received job offers claiming to be from Strike Energy. Please be aware that these have not originated from the Company and should be disregarded as they are illegitimate.

Strike Energy posts all of our job openings on the Seek website – **https://www.seek.com.au/Strike-Energy-jobs/at-this-company**

All of our positions are based in Western Australia.

All successful candidates will be met with in person prior to receiving an offer of employment.

Please note that we are not currently in a position to hire remote workers outside of Australia.

Should you wish to submit your details for any of our current opportunities, please email your CV to **recruitment@strikeenergy.com.au**
