- **2 for 5 Renounceable Rights Issue to raise up to $5.2 million**
- **Attractively priced at 1.2 cents per share**
- **With every 2 New Shares, shareholders receive 1 free attaching New Option**
- **New Options will have Exercise Price of 2.5 cents, expiring 31 December 2028 and ADX will apply to ASX for quotation**
- **Shareholders can trade their rights and apply for additional shares and options**
- **All Directors intend to participate**

We write to you as the registered holder of fully paid ordinary shares (**Shares**) in ADX Energy Ltd (ACN 009 058 646) (ASX:ADX) (**ADX** or the **Company**) as at 5 November 2026.

Pursuant to the prospectus lodged with ASIC and announced on the ASX on 2 November 2026 (**Prospectus**), the Company is undertaking a renounceable pro rata entitlement offer to Eligible Shareholders at an issue price of $0.012 per New Share on the basis of 2 New Shares for every 5 existing Shares held as at the record date, being 5:00pm (AWST) on Thursday, 5 November 2026 (**Record Date**), together with 1 free attaching quoted option for every 2 New Shares subscribed for and issued under the Entitlement Offer (**New Option**), each exercisable at $0.025 and expiring at 5:00pm (AWST) on 31 December 2028 (**Entitlement Offer**).

The Entitlement Offer will seek to raise up to a total of approximately $5.2 million (before costs) via the issue of up to 433,545,360 New Shares and 216,772,680 New Options (subject to rounding). The Entitlement Offer is subject to a minimum total subscription of $1,000,000.

Eligible Shareholders will also be entitled to apply for any New Shares (and free attaching New Options) not taken up by other Eligible Shareholders under the Entitlement Offer (**Shortfall Offer**). Applications pursuant to the Shortfall Offer will only be satisfied to the extent that the Entitlement Offer is undersubscribed and will be subject to the terms and conditions outlined in the Prospectus. To the extent that there is a shortfall, New Shares and New Options offered under the Shortfall Offer will be on the same terms as the Entitlement Offer.

The Entitlement Offer and the Shortfall Offer (together, the **Offers**) are partially underwritten for the amount of $1,000,000 by Mahe Capital Pty Ltd (ACN 634 087 684) (AFSL 517246) (**Mahe Capital** or **Underwriter**), which is also acting as lead manager to the Offers.

On completion of the Offers, the Company will also issue to the Underwriter (or its nominee/s) 4 Options for every $1 raised under the Offers, on the same terms as the New Options, being a minimum of 4,000,000 and a maximum of 20,810,177 Options (**Underwriter Options**). The Underwriter Options are to be issued as partial consideration for the provision of underwriting and lead managerial services in connection with the Offers.

Capitalised terms used, but not defined, in this letter have the meaning ascribed to them in the Prospectus.

How to Access the Entitlement Offer and Shortfall Offer

1. **ONLINE** –www.computershare.com/investor
2. **PAPER** – Request a paper copy of the Prospectus and the personalised Entitlement Form from Computershare: 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia) between 8:30am and 5:00pm (Melbourne time).

Key Features of the Entitlement Offer and Shortfall Offer

The Offers are available to Eligible Shareholders registered at 5:00pm (AWST) on the Record Date whose registered address is in Australia, New Zealand, Singapore, the United Kingdom or Monaco (to the extent permitted as specified in the Prospectus). The Offers are not being extended to any Shareholders with addresses outside these jurisdictions.

The Entitlement Offer is renounceable, meaning that Eligible Shareholders will be able to trade or transfer their entitlements pursuant to the Entitlement Offer. Rights trading on ASX commenced on Wednesday, 4 November 2026 and end at the close of trading on Wednesday, 18 November 2026. If Eligible Shareholders do not take up their entitlement pursuant to the Entitlement Offer, their holdings are likely to be diluted by approximately 28.57% (or approximately 37.50% if all New Options are issued and exercised) as compared to their holdings and number of Shares on issue as at the date of the Prospectus.

All of the Shares issued pursuant to the Offers will rank equally with the existing Shares on issue in the Company. Further details regarding the rights and liabilities attaching to Shares and New Options are contained in the Prospectus.

The Company will apply for quotation of the New Options subject to compliance with the requirements of ASX and the ASX Listing Rules.

Purposes of the Offers

The funds raised from the Offers are intended to be applied primarily towards:

- drilling, testing and completion of the GOLD-1 shallow gas well;
- well work enhancing production from the Company's Vienna Basin fields;
- Phase 2 production testing of the HOCH-1 gas discovery well;
- other exploration, and general and administration costs (including working capital); and
- the costs of the Offers.

Further details in respect of the Company's intended use of funds are set out in the Prospectus. The above is a statement of current intentions as at the date of the Prospectus. Intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

Prospectus and Target Market Determination
