Chair Address

DGT strategic priorities

DGT is positioned for sustainable and funded Australian growth

Geographic focus	**Australian market prioritised** – capital redeployed post US Asset Sales into the supply-constrained domestic market, aligned with DigiCo's proven delivery track record
Project delivery	**SYD1 88MW Project accelerated** – 20MW Project completed; 52MW expansion is DigiCo's priority development
Capital management and funding	**Fully funded, no new equity required** – SYD1 88MW development funded by existing balance sheet capacity and committed facilities
Expansion and growth	**Brownfield-led expansion** – prioritising adaptive brownfield developments while evaluating greenfield sites with access to low-cost renewable power

FY26 | Outperform
First full year delivered ahead of guidance

FY27-28 | Deliver
SYD1 88MW Project

FY28+ | Expand
Brownfield expansions

BEYOND | Scale
Greenfield expansions

Executing with momentum

Delivering and funded to growth, with the leadership to execute

1 EARNINGS MOMENTUM

- **Underlying EBITDA of $127m** (above $125m guidance)
- **Distributions declared of 12.0 cps** (in line with guidance)

2 STRENGTHENED BALANCE SHEET

- **Sale of CHI1 and LAX assets** to reduce net debt from $1.6bn[1] to ~$0.5bn and reduce gearing from 39% to 18%[2]
- **Pro-forma liquidity of ~$1.2bn[3],** SYD1 88MW Project fully funded with no new equity required

3 ACCELERATED CAPACITY EXPANSION

- First **20MW at SYD1 completed** on time and on budget
- **52MW SYD1 expansion accelerated** and targeted to be delivered over FY27 and FY28

4 CUSTOMER DEMAND

- **71MW contract** with global technology firm and investment grade credit support at SYD1
- **15MW ADL1** expansion progressed with advanced customer discussions

LEADERSHIP TRANSITION

- Simon Mitchell and Ralph Goninan appointed Co-Heads of DGT, effective 21 August 2026
- Simon and Ralph retain their existing responsibilities as Chief Financial Officer and Chief Development Officer, respectively
- Reflects the significant leadership both executives have already provided in shaping strategy and delivering DGT's key priorities
- Provides continuity as DGT executes on its strategy and development pipeline

Notes:
1. As at 30 June 2026. **2.** Pro-forma basis using net debt as at 30 June 2026 adjusted for anticipated net equity sale proceeds from US asset sales (after repayment of gross debt, and subject to selling and transaction costs and completion adjustments); assumes 0.71 AUD/USD exchange rate. **3.** Pro-forma based on cash as at 30 June 2026, senior undrawn debt facilities (including additional capacity from a facility upsize completed post 30 June 2026) and anticipated net equity sale proceeds from US asset sales (after repayment of gross debt, and subject to selling and transaction costs and completion adjustments); assumes 0.71 AUD/USD exchange rate.

Responsible operations and growth

Supporting sustainable long-term growth through responsible development and community engagement

DGT approach and FY26 progress

RESPONSIBLE GROWTH

- Our strategy combines resource efficiency, renewable energy and lower-carbon, climate-resilient infrastructure with responsible development and early community engagement
- By listening early and managing impacts responsibly, we aim to build trust and enduring value for securityholders and communities

FY26 PROGRESS AT SYD1

- Adaptive reuse extends asset life and reduces embodied carbon
- The 20MW upgrade improved efficiency through energy-efficient equipment and chiller plant optimisation

Sustainability focus areas

Energy and lower-carbon infrastructure

Improve efficiency and renewable adoption. Support lower-carbon, climate-resilient infrastructure

Water and environmental impacts

Prioritise efficient water use and manage local and environmental impacts through responsible design and operation

Community engagement and social licence

Engage early, listen to concerns and respond through development and operational planning

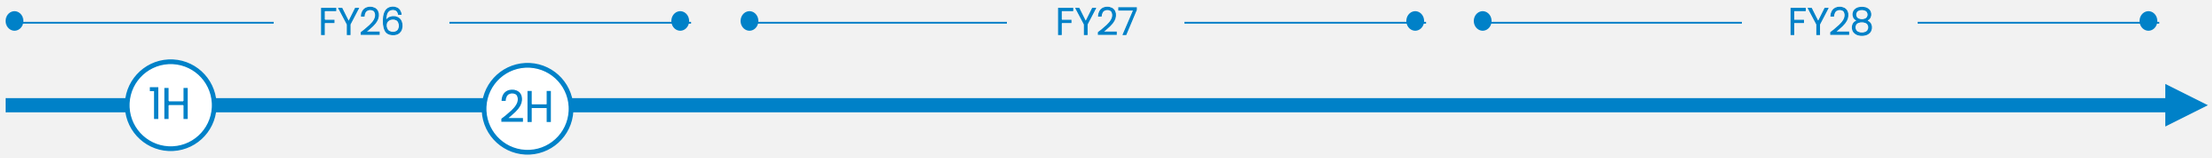

Co-Heads' Address

SYD1: delivering the next 52MW expansion

Fully contracted and fully funded 88MW project

KEY DEVELOPMENT MILESTONES

- ✓ **SSDA approval for full 88MW Project**
- ✓ **88MW Project design and Early Contractor Involvement ("ECI") completed**
- ✓ **20MW Project completed**
- ✓ **Laing O'Rourke appointed as integrated delivery partner** for the 52MW expansion
- ✓ **52 MW Fixed price lump sum D&C contract executed with Shape Australia**
- ▪ Structural works targeted to be completed and halls progressively ready for energization
- ▪ **First 10MW targeted to be operational** in late Q4 FY27
- ▪ **Balance of 52MW expansion** delivered progressively over FY28, aligned to customer requirements
- ▪ **Full 88MW Project targeted for completion by the end of FY28**

Approvals and utilities:
Planning approved, power and water secured

Delivery arrangements:
Fixed-price SHAPE contract, Laing O'Rourke as integrated delivery partner

Brownfield, adaptive re-use:
Existing infrastructure and connectivity support faster delivery

Australian growth projects

In addition to SYD1, ADL1 15MW expansion underpinned by advanced customer demand discussions, complemented by a growing greenfield development pipeline

ADL1 Project

- Brownfield expansion project to **deliver additional 15MW of IT Capacity** (up from 8MW)
- **In advanced customer discussions**
- Space can be used to **cater to a wide range of densities and security requirements**

Strategy	**Brownfield**
Planned IT Capacity	**15MW**

Other Greenfield Opportunities

- **Evaluation and planning on select greenfield sites**, targeting campus style facilities supporting multiple potential tenants
- **Pursuing differentiated opportunities** that are aligned with Federal Government's proposed new data centre framework

Strategy	**Greenfield**
Incremental IT Capacity	**1GW+**

An operating model designed to support growth

Specialist capability to support the delivery program

Capability strengthened

- Specialist engineering
- Project delivery
- Commercial
- Operations

Operating model designed for growth

Cost discipline

Support growth without proportionate cost increases

Technical discipline

Maintain engineering and delivery standards

Safety

Keep safety central to delivery and operations

Customer focus

Align delivery with customer requirements and reliable service

SYD1 fully contracted ahead of schedule

15-year contract[1] with a global technology firm, backed by investment grade credit support

Recently announced 71MW contract is a major milestone, validating DGT's targeted capital allocation strategy announced in Feb-26

Over the past 9 months, this strategy has been executed with over ~A$1bn of U.S asset sales, enabling DGT to fully fund the SYD1 project and accelerate contracting well ahead of the original business plan

Key Highlights

- ✓ 15-year contract[1] with a global technology firm
- ✓ Investment grade credit backing
- ✓ SYD1 now 100% contracted across 88MW
- ✓ SYD1 project fully funded with no new equity required
- ✓ All planning approvals received and power and water secured
- ✓ Builder (Shape) appointed on fixed price lump sum D&C contract
- ✓ SYD1 expected to deliver attractive double-digit YOC
- ✓ Pathway to $250m Australian Platform Stabilised EBITDA[2]

SYD1 Project is now 100% contracted across 88MW after securing a landmark 71MW contract

Notes:
1. Subject to satisfaction of customary conditions and approvals. **2.** Australian Platform Stabilised EBITDA represents management's estimate of annualised EBITDA once SYD1 and ADL1 reach stabilised occupancy and all contracted capacity is online and billing.

US asset sales strengthen liquidity to $1.2bn and fully fund SYD1

Capital recycling and independent valuations support the strength and value of DGT's portfolio

Weighted average debt cost (% p.a.)[5]	6.0%	6.0%

Commentary

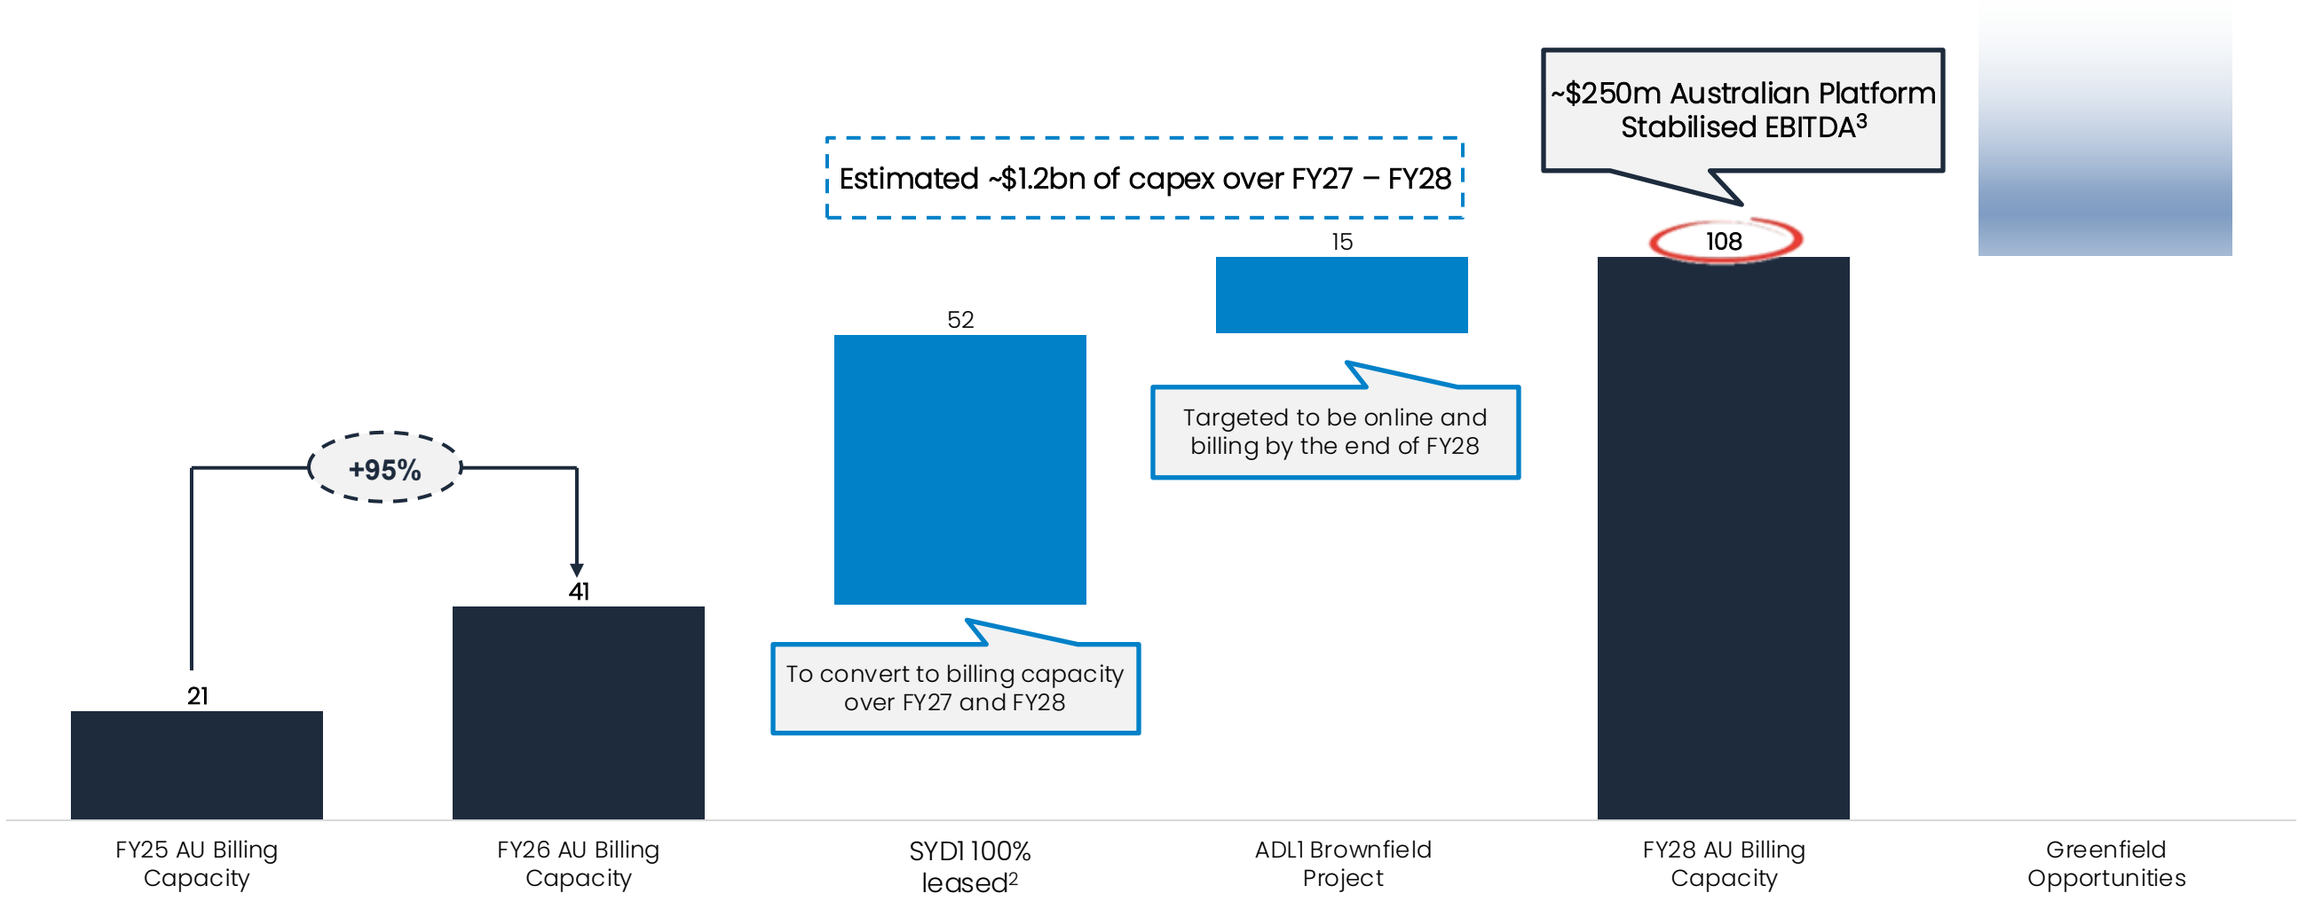

- **SYD1 development cost fully funded by pro-forma liquidity**
- Upsized capex facility from $300m to $500m
- Total liquidity (cash and undrawn debt) $706m
- Pro-forma liquidity of $1.2bn[6] post US asset sales. Net equity proceeds expected to be ~$470m
- Gearing of 39% or 18%[7] on a pro-forma basis
- Interest rate exposure fully hedged as at Jun-26 at 6.0% effective cost
- First debt maturity in FY29
- Australian and US portfolio independently valued at ~$4.1bn at 30 June 2026, with the Australian portfolio valued at $2.5bn
- US asset sales and independent valuations support Adjusted NAV of $4.47 per unit[8]

Notes:
1. Jun-26 assumes an exchange rate of 0.69 AUD/USD. **2.** Net debt includes total borrowings (excluding unamortised establishment costs) less cash and cash equivalents. **3.** Weighted average debt tenor has been calculated based on the maturity dates of individual facilities, weighted by each facility's committed amount and assumes options to extend are exercised. **4.** Gearing is defined as borrowings (excluding unamortised establishment costs) less cash and cash equivalents divided by total assets excluding cash and cash equivalents. **5.** Excludes interest income and includes undrawn commitment fees. **6.** Pro-forma based on cash as at 30 June 2026, senior undrawn debt facilities (including additional capacity from a facility upsize completed post 30 June 2026) and anticipated net equity sale proceeds from US asset sales (after repayment of gross debt, and subject to selling and transaction costs and completion adjustments); assumes 0.71 AUD/USD exchange rate. **7.** Pro-forma basis using net debt as at 30 June 2026 adjusted for anticipated net equity sale proceeds from US asset sales (after repayment of gross debt, and subject to selling and transaction costs and completion adjustments); assumes 0.71 AUD/USD exchange rate. **8.** Adjusted NAV is independent portfolio gross asset value less net debt, divided by securities on issue at 30 June 2026 (AUD/USD 0.69)

Pathway to $250m Stabilised EBITDA

Identified capacity underpins a pathway to ~$250m of Australian Platform Stabilised EBITDA[3]

Australian Billing Capacity (MW)[1]

Notes:
1. End of period billing capacity. **2.** Subject to satisfaction of customary conditions and approvals. **3.** Australian Platform Stabilised EBITDA represents management's estimate of annualised EBITDA once SYD1 and ADL1 reach stabilised occupancy and all contracted capacity is online and billing.

Outlook and guidance

FY27 Underlying EBITDA guidance of $120 – 125m

$120 – 125m	$300 – 500m	15.0c
FY27 Underlying EBITDA	Growth capex	FY27 DPS

- FY27 Underlying EBITDA is expected to be $120 – 125m, inclusive of 2 months of CHI1 EBITDA
  - Excluding CHI1, FY27 Underlying EBITDA is expected to be between $110 – 115m, representing 15 – 21% growth on a FY26 like-for-like basis
- Guidance incorporates minimal contribution from the 52MW expansion at SYD1 (first 10MW expected to be operational in late Q4 FY27)
- Capex in FY27 expected to be $300 – 500m, largely driven by SYD1 capacity expansion and expected to be 2H weighted
  - To be funded from existing cash reserves and undrawn debt facilities
- Distributions in FY27 expected to total 15.0 cents per security (25% growth on FY26)
  - Over the medium term, DGT expects to maintain its distribution policy of paying out 90 – 100% of FFO

Notes:
Guidance assumes 0.71 AUD/USD exchange rate.

Future performance and forward-looking statements

Statements in this Presentation are made only as at the date of this Presentation and the information in this Presentation remains subject to change without notice. This Presentation contains certain "forward-looking statements". The words "forecast", "target", "future", "pro forma", "expect", "anticipate", "estimate", "intend", "believe", "guidance", "should", "could", "may", "will", "predict", "proposed", "plan" and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings and financial position and performance of DigiCo REIT are also forward-looking statements. Forward-looking statements, opinions and estimates provided in this Presentation are based on assumptions and contingencies that are subject to change without notice and involve known and unknown risks and uncertainties and other factors that are beyond the control of DigiCo REIT, its directors and management. This includes statements about market and industry trends, which are based on interpretations of current market conditions.

You are strongly cautioned not to place undue reliance on forward-looking statements, particularly in light of the current economic climate and geopolitical tensions, including armed conflicts and wars in various regions and escalating global trade tensions.

Forward-looking statements are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Actual results, performance or achievements may differ materially from those expressed or implied in such statements and any projections and assumptions on which these statements are based. In particular, cost-related information, such as yield on cost, are targets based on management estimates and there is no guarantee that such results will be achieved in the future. These statements may assume the success of DigiCo REIT's business strategies. The success of any of those strategies will be realised in the period for which the forward-looking statement may have been prepared or otherwise. Readers are cautioned not to place undue reliance on forward-looking statements and except as required by law or regulation, none of DigiCo REIT, its representatives or advisers assumes any obligation to update these forward-looking statements. No representation or warranty, express or implied, is made as to the accuracy, likelihood of achievement or reasonableness of any forecasts, prospects, returns or statements in relation to future matters contained in this Presentation. The forward-looking statements are based on information available to DigiCo REIT as at the date of this Presentation. Except as required by law or regulation (including the ASX Listing Rules), none of DigiCo REIT, its representatives or advisers undertakes any obligation to provide any additional or updated information whether as a result of a change in expectations or assumptions, new information, future events or results or otherwise. Indications of, and guidance or outlook on, future earnings or financial position or performance are also forward-looking statements. To the maximum extent permitted by law, DigiCo REIT, its related bodies corporate and affiliates, and their respective officers, directors, employees, agents and advisers disclaim all responsibility and liability (including, without limitation, any liability arising from fault, negligence or negligent misstatement) for any direct, indirect, consequential or contingent loss or damage arising from this Presentation or reliance on anything contained in or omitted from it or otherwise arising in connection with this Presentation.
