Dear Dean,

Dotz Nano Limited (ASX: DTZ) – Request for Voluntary Suspension

Pursuant to ASX Listing Rule 17.2, Dotz Nano Limited ACN 125 264 575 (**Dotz**) requests that its fully paid ordinary shares be suspended from quotation with effect from the commencement of normal trading on Thursday, 12 November 2026, immediately following the end of the trading halt granted by ASX on 10 November 2026.

Reasons for the suspension

Dotz's shares were placed in a trading halt on 10 November 2026 pending an announcement in relation to its financial position. Dotz is not yet in a position to make that announcement, as the Board is still considering the matters to which it relates.

The voluntary suspension is requested to allow Dotz time to finalise and release that announcement, so that trading in its shares does not occur while the market is not fully informed.

Expected duration of the suspension

Dotz expects the suspension to remain in place until the earlier of the release of that announcement and the commencement of normal trading on Monday, 16 November 2026.

If Dotz is not in a position to release that announcement by that time, it will make an announcement informing the market of the reasons for the delay and the new date by which it expects the suspension to be lifted.

Event expected to end the suspension

The suspension is expected to end on the release of that announcement.

Other matters

Dotz is not aware of any reason why its shares should not be suspended, nor of any other information necessary to inform the market about the suspension.

This announcement has been authorised for release by the Board of Directors of Dotz.

Yours sincerely

Dotz Nano Limited
