Late Lodgement and Correction of Appendix 3Y

In relation to the attached Appendix 3Y notice for Nick Tintor, Benz Mining Corp. (**Benz** or **the Company**), advises as follows:

1. Following the allotment of Performance Share Units to Mr Tintor and during preparation of the associated Appendix 3Y, Mr Tintor undertook a reconciliation of his historical director interest disclosures and identified discrepancies in the opening balance reported in his Appendix 3X and certain historical disposals undertaken in 2021. These discrepancies arose from administrative oversight and resulted in the ASX record not fully reflecting Mr Tintor's historical holdings and transactions.

   The attached Appendix 3Y updates and corrects those historical disclosures and aligns the ASX record with Mr Tintor's holdings as previously reported through the Canadian System for Electronic Disclosure by Insiders ("SEDI"). The Appendix 3Y has been lodged outside the required timeframe because additional time was required to complete the reconciliation process and verify the relevant historical transactions to ensure the correction was accurate and complete.

2. The Director has been reminded he also has obligations under ASX Listing Rules 3.19A and 3.19B to provide the necessary information to the Company to meet its ASX disclosure requirements in addition to those under SEDI. Notification of changes to the Company is also addressed in the Company's Securities Trading Policy.

3. The Company considers that its current arrangements for compliance with ASX Listing Rules 3.19A and 3.19B remain appropriate. The discrepancies identified relate to historical administrative oversights rather than any deficiency in the Company's current reporting procedures. The Company has reminded directors of their disclosure obligations and the requirements of the Company's Securities Trading Policy. The Company will continue to monitor compliance with these procedures to ensure director interest disclosures are made in a timely and accurate manner.

Yours sincerely

Oonagh Malone
Company Secretary (Australia)
Benz Mining Corp.
