ASX Announcement & Media Release

Completion of Buy-Back of Unmarketable Parcels of Shares

FAR Limited (ASX: FAR) advises that it has completed the unmarketable parcel share buy-back at 29.79 cents per share as announced to the ASX on 25 September 2026.

The number of shares bought back was 1,069,717 held by 1,194 small shareholders.

The Company provided the buy-back facility to holders of unmarketable parcels to enable the sale of their small shareholdings without incurring any costs.

This reduces the number of FAR shareholders to approximately 1,601 and reduces the administration costs associated with maintaining a large number of relatively small holdings on its share register.

The shares bought back under the Facility have been cancelled at a cost to FAR of approximately $318,668.69. Payment of the proceeds will be dispatched to participating small shareholders on 20 November 2026.

An Appendix 3H (notice of cessation of securities) accompanies this announcement in accordance with ASX Listing Rule requirements. ASIC is also being updated in relation to the share capital change.

This ASX announcement has been approved for release by FAR's Board of Directors.
