FortifAI Appoints Tom Reilly as Special Advisor to the Board

Former Cloudera and ArcSight CEO to support NOL8's go-to-market and commercial execution

Highlights

- **Special Advisor appointed:** Tom Reilly, former Chief Executive Officer of Cloudera and ArcSight, joins FortifAI as Special Advisor to the Board.
- **Two IPOs, two acquisitions:** took ArcSight (NASDAQ: ARST) and Cloudera (NYSE: CLDR) public; both were later acquired, for US$1.5 billion and US$5.3 billion respectively.
- **Go-to-market mandate:** will assist the executive team and board with go-to-market initiatives as NOL8 pursues its first commercial agreements.

FortifAI Limited (ASX: FTI) ("FTI" or the "Company") advises that it has appointed Tom Reilly as Special Advisor to the Board, effective 12 November 2026. Mr Reilly has taken two enterprise software companies public, both of which were later acquired. As President and then Chief Executive Officer of security analytics company ArcSight (NASDAQ: ARST), he took the company public in February 2008 at US$9.00 per share and led its sale to Hewlett-Packard (NYSE: HPQ) in 2010 at US$43.50 per share, an enterprise value of US$1.5 billion. As Chief Executive Officer of enterprise data platform Cloudera (NYSE: CLDR), he led its initial public offering in April 2017 at a valuation of approximately US$1.9 billion, and its US$5.2 billion all-stock merger with Hortonworks (NASDAQ: HDP) in 2019. Cloudera was acquired by Clayton, Dubilier & Rice and KKR (NYSE: KKR) in 2021 for US$5.3 billion.

Mr Reilly's mandate is to assist the executive team and the Board of Directors with go-to-market initiatives. With commercial Version 2.0 launched in October, NOL8 is directing its efforts to sales, marketing and securing its first commercial agreements, and Mr Reilly brings more than three decades of experience building and scaling enterprise data and security software businesses. He is engaged as an external advisor and will meet regularly with the Board and the executive team.

The Company has agreed to issue Mr Reilly (and/or his nominee) a total of 2,000,000 performance rights vesting over a 2-year period. An Appendix 3B is lodged with this announcement.

Authorised for release by the Board of Directors of FortifAI Limited.

Forward-Looking Statements: This announcement may contain forward-looking statements, including statements about the Company's commercial strategy, that involve risks and uncertainties. There is no certainty that NOL8 will secure commercial agreements within any particular timeframe or at all. Actual results may differ materially from those anticipated. FortifAI undertakes no obligation to update forward-looking statements.

About NOL8

AI systems make decisions on data that teams often can't fully see or verify in the moment, and NOL8 exists to close that gap. Its technology, the AI Data Plane, gives organisations visibility into how data moves through their AI systems, enabling certainty where there was once assumption. For more information, visit nol8.io.

About FortifAI
