MARKET ANNOUNCEMENT

Intention to Conduct On-Market Share Buy-Back

Orion Equities Limited (ASX: OEQ) (**Orion Equities** or the **Company**) today announced its intention to conduct an on-market share buy-back of up to 1,562,545 shares (**On-Market Buy-Back**).[1] This represents approximately 10% of the Company's current 15,625,459 shares on issue.

The On-Market Buy-Back is within the "10%/within 12 months limit" buy-back pursuant to Part 2J.1 Division 2 of the *Corporations Act (2001) (Cth)*.

Under the Corporations Act the earliest date the Company will be able to conduct the On-Market Buy-Back is 8 December 2026, being 14 days after notice was provided to ASIC (today) that the Company intends to conduct the On-Market Buy-Back.

Under the ASX Listing Rules:

- An on-market buy-back may occur only if transactions in a company's shares were recorded on ASX on at least 5 days in the previous 3 months (Listing Rule 7.29) – this pre-requisite is satisfied;
- In accordance with Listing Rule 7.33, the Company will not pay any more than 5% above the average of the market price for the Company's shares over the last 5 days on which sales in the shares were recorded prior to the buy-back occurring; and
- Where shares have been bought-back on-market, daily Share Buy-Back Notices (ASX Appendix 3C Notification of Buy-Back) will also be announced on ASX (at least 30 minutes before trading opens), detailing the number of shares bought-back during the previous trading session, the total consideration paid and the highest and lowest prices paid.

The Company notes that it will be seeking shareholder approval (as a special resolution passed by at least 75% of the votes cast) at the upcoming Annual General Meeting (**AGM**) on 27 November 2026 for the Company's removal from the official list of the Australian Securities Exchange (**ASX**) (**Official List**) for the purposes of Listing Rule 17.11A.2 (**Delist** or the **Delisting**).[2]

If the Delisting is approved by shareholders, the Company will formally request the Company's Delisting from ASX. Under ASX Guidance Note 33, ASX will ordinarily agree to remove an entity that meets the requirements set out in Listing Rules 17.11A to 17.11C. If the ASX agrees, the Company will be able to proceed with the Delisting, which will occur on a date no earlier than one month after shareholder approval. The Company will make a market announcement that confirms the last day of trading in the Company's quoted securities (**Suspension Date**) and the date of removal from the Official List (**Delisting Date**).
