[1] "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

[2] Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

[3] Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

This Corporate Governance Statement describes the key corporate governance policies and practices of Select Harvests Limited. The Company has followed the recommendations of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th Ed) throughout the financial year ended 30 September 2026.

The key principles are:

Principle 1 – Lay solid foundations for Management and Oversight
Principle 2 – Structure the Board to be effective and add value
Principle 3 – Instil a culture of acting lawfully, ethically and responsibly
Principle 4 – Safeguard the Integrity of Corporate Reports
Principle 5 – Make timely and balanced disclosure
Principle 6 – Respect the Rights of Security Holders
Principle 7 – Recognise and Manage Risk
Principle 8 – Remunerate Fairly and Responsibly

The following statements address each of these principles.
This statement is current as at 24 November 2026 and has been approved by the Board.

Principle 1 – Lay solid foundations for Management and Oversight

1.1 Roles and Responsibilities of the Board and Management

The Board of Select Harvests Limited (the Company) is responsible for the overall corporate governance of the Company. The Board guides and monitors the business and affairs of the Company on behalf of the shareholders by whom they are elected and to whom they are accountable. The Board's Charter is located in the governance section of the Company's website. Governance | Select Harvests.

The Board represents the interests of shareholders, as well as meeting regulatory and ethical expectations and obligations. In addition, the Board is responsible for ensuring that management's objectives and activities are aligned with the expectations and risks identified by the Board and ensuring appropriate control mechanisms are in place to adequately manage those risks.

The Board has delegated responsibility for the operation and administration of the Company to the Managing Director and the Executive team. The Board ensures that this team is appropriately qualified and experienced to carry out its responsibilities. The Board has in place procedures to assess the performance of the Managing Director and the Executive team. The Board holds management accountable for the performance of its delegated functions. In doing so, the Board constructively challenges management's proposals and decisions and seeks to instil a culture of accountability throughout the business.

1.2 Director and Executive Selection

To ensure that the Board is well equipped to carry out its responsibilities it has established guidelines for the selection of Directors and Executive team members. Several channels are used to source candidates to ensure the Company can benefit from a diverse range of individuals during the selection process.

1.3 Directors and Executive Agreements

The Directors and Executive team have a written agreement with the Company setting out the terms of their appointment. The key terms of these agreements for the Directors and Executive team members who are identified as Key Management Personnel are published in the Remuneration Report.

1.4 Company Secretary

The Company Secretary is accountable to the Board through the Chair and provides advice and support to the Board. The Company Secretary is responsible for all matters to do with the proper functioning of the Board. All Directors can communicate directly with the Company Secretary and vice versa.

1.5 Inclusion and Diversity

At Select Harvests, we recognise that an inclusive culture embracing diversity is essential to our ongoing success.

Our commitment to diversity, equity, and inclusion is an integral part of our operations, we hire the right people for the right roles. This approach is guided by our Diversity, Equity, and Inclusion Policy, which is available in the governance section of our website.

We are proud of our sustained commitment to diversity, employing 428 full-time equivalent individuals in permanent, casual, and seasonal roles across metropolitan and regional Australia. Our workforce includes people from various backgrounds, with approximately 58% identifying as ethnically diverse based on disclosures.

As part of our ongoing journey, we measure gender diversity across our Board, senior management, and broader workforce. Executive team members actively monitor these measures and report annually to the Remuneration and Nomination Committee to ensure continuous improvement.

Our efforts include conducting ongoing training to prevent discrimination, harassment, and bullying, further reinforcing our commitment to an inclusive and respectful workplace.

Additionally, we are committed to supporting an inclusive and flexible workplace through flexible working arrangements, employer-funded parental leave and Keep in Touch programs, which enables employees to remain connected with the business during periods of leave. During FY2026, the Company enhanced its parental leave policy to provide more equitable support for all parents by expanding eligibility for employer-funded parental leave and increasing paid leave entitlements for both primary and secondary carers. The Company also continues to provide a range of flexible work arrangements and support mechanisms for employees with caring responsibilities.

The WGEA diversity data presented below reflects workforce composition as at 31 March 2026, when women represented 40% of employees and 33% of Board positions. As at 30 September 2026, women represented 36% of the Company's workforce. Female representation on the Board was 42%, while women comprised 37.5% of the Executive Leadership Team. The Company remains focused on increasing female representation across leadership, technical and operational career pathways through targeted recruitment, development and succession planning initiatives.

Further information on gender equality outcomes, including gender pay gap reporting, is available in the Company's FY2025-26 Workplace Gender Equality Agency (WGEA) submission.
