About Caprice Resources Ltd

Caprice Resources Limited (ASX: **CRS**) is an Australian gold exploration company focused on maximising shareholder value through unlocking new discoveries.

Our flagship Island Gold Project, located in the prolific Murchison goldfields of Western Australia, hosts extensive high-grade gold mineralisation across a five-kilometre corridor. Our landholding sits within 50 km of several consolidated mining and processing hubs that depend on a steady supply of feed. With each phase of drilling extending mineralised zones, we continue to demonstrate the scale and continuity of the Murchison's next major gold discovery.

Caprice is committed to delivering significant, long-term shareholder value by combining disciplined exploration with technical excellence across its high-quality Western Australian exploration portfolio.
