Multistack International Limited (ASX: MSI) – Suspension from Quotation

The securities of Multistack International Limited ('MSI') will be suspended from quotation immediately under Listing Rule 17.3.

MSI entered into an agreement on 17 April 2026 to dispose of its main undertaking. Section 4.7 of ASX Guidance Note 12 states that ASX will generally continue quoting an entity's securities for a period of up to six months from the date of the agreement to dispose of its main undertaking, to allow the entity time to complete the disposal and to identify and announce its intention to acquire a new business.

That six-month period has now expired. MSI has completed the disposal of its main undertaking but has not yet announced its intention to acquire a new business. ASX has therefore determined that MSI's securities will be suspended from quotation under Listing Rule 17.3.

The suspension will continue until ASX is satisfied that MSI is in compliance with the Listing Rules, including Listing Rule 12.1 and that it is otherwise appropriate for MSI's securities to be reinstated to quotation.
